Essential Water | ABN 37 428 185 226 | essentialwater.com.au Page 2 of 2

- 14 Meter no.**
This is a unique number for your water meter.
- 15 Your meter readings**
Here you will see your previous and current meter readings, including the amount of water used in this period. We'll also show whether the reading is an actual or estimated reading.
- 16 Usage comparison**
You can use this information to compare your average water usage per day, comparing previous periods and the current period.
- 17 Your bill breakdown**
This is a detailed breakdown of the water and sewer services and usage charges. You'll find the number of days and the cost per litre. This also includes any payments received from the previous period, and the current balance of your account.

If you are eligible to receive a pension rebate, you'll find the information in this section.
- 18 Current account balance**
This is calculated including all previous payments, the current usage charges, and the balance payable for this period.
- 19 Information panel**
Refer to this section on your bill to read news and updates relating to Essential Water and the services we provide our community.

Further information
If you have any questions about your water services bill or require more information, please call our Essential Water team on **1800 441 888** or email us at letschat@essentialwater.com.au
